“ Dear Webb Family,

I was a classmate of Karen's (K-12) and graduated with her from RHS. My first memories of Karen are of her sporting a pig-tail hairdo and saddle shoes at Richfield Elementary School. My favorite memories are of the days when we all (Karen, Jim G., Sue J. and many others) spent much of the Summer at Great Lakes Swimming Pool. I got to know Wanda and Wilma during that time. I also remember Kathy, who worked with my brother at the Country Counter. What fun it was to be carefree kids of sixteen, swimming and cruising around town. Karen morphed into a beautiful young lady. She had a great smile, amazing blonde hair, and a friendly personality. I don't have one bad memory of her.

I deal with a lot of death in my profession as a LSW working with people with Developmental Disabilities. I have also lost my Father during the past year and quite a few classmates from 1980. I believe that death is not the end, but rather a transformation of energy. Karen graduated from the Earth plane and is now in the dimension of love and light.

PEACE,

“ Dear family of Karen.....I am so very sorry about your loss. I can't even imagine the sadness over the last few weeks.....but I know that Karen would want us to remember the good times. I am very grateful that Karen was my friend.....and was such a huge, major part of my junior high and high school memories. Over the years, we would always laugh about those memories. They are treasured memories for me now. Her smile, her laugh, her carefree attitude will always be remembered. Love, Diane

“ Dear Sis and George,

When God needs another angel, He calls his children home and this time sadly it was Karen. Sometimes we can't know why some things happen...but we can know that love and beautiful memories outlast the pain of grief. And we can know that there's a place inside the heart where love lives always...and where nothing beautiful can ever be forgotten. Those we cherish will always live on in memory. With loving thoughts and sympathy.

“ I was very sad to hear of Karen's passing. My sympathy goes out to everyone in Karen's family. I have so many fond memories of Karen she always so much fun to be around. One of the most memorable times I shared with Karen is when we went to CoCoa Beach, Florida together and visited my brother for Spring Break. Even though we lost touch over the years I always considered Karen a dear friend! My thoughts and prayers are with all of you in this time a grief.

“ I will always remember that broad smile and flowing blonde hair. She was quick to share that smile freely. I can still hear that laugh of hers. I have not seen her in several years but will treasure how she would light up a room when she entered. I always thought her nickname should have been "Spunky". - Uncle David.

I was very shocked and saddened to hear of Karen's death. I knew Karen and Wilma and Wanda back in the late 80s. She was a wonderful person I've thought of her often over the years. I just heard the sad news on a trip to Ohio. My sincerest condolences to the family and especially Wilma and Wanda. Ed Bell Sarasota Florida
