Kary, we all loved you very much. We had so much fun together and shared many incredible memories. Our children grew up with you and will always remember all the fun they had when with you. We feel so bad that we learned of your passing too late to attend your services but you will live on in our hearts forever. Much love, The Castaldo Family

I remember fishing in Saul's pond in Northwood and yes we still call it that. One day it was fishing and heard Kary yelling Susiiiiie Susieeee. I yelled will you shut up I'm trying to fish. Well when I got home my father met me at the door laughing and saying Susieeee Susieeeee. Now they are both not here on this earth yet I can still hear them yelling Susieeee Susieeee.*

“ *My dearest Noni and family,
Kary was one of the first people that I met when I arrived at the beach. His character was unlike any other. He was always cheerful and comical. Just his facial expressions used to make me giggle. I am so sorry to hear about the loss of Kary. I will cherish the memories with him always and will continue to hold you Miss Noni, very deep and dear within my heart.
My love and prayers to all,
