“ Our deepest sympathy to Kate's husband and family. We had the privilege of getting to know Kate as she worked in our office for several years as an LPN while furthering her education to become an RN. We knew her to be gentle, kind, honest, fun loving and a very hard worker. She was loved by the patients, staff and physicians. We have fond memories of her as she was not yet married and in love with her future husband and "soul mate". They were a beautiful couple and so much in love. She would sparkle after returning from having lunch with him. I honestly cannot ever remember not seeing her with a smile and a kind word. It has been several years since her career endeavors moved her along, but she remained dear to our hearts. The news of her passing has been devastating and we grieve for her beloved husband and family. Many tears from all of us since last Saturday morning. If our tears could build a staircase to heaven to bring her back, we sure have shed enough to achieve that, but we know our ways are not God's. We pray for comfort and peace for her grieving loved ones. Blessings and sympathy, Dr. Terry Belden, Dr. Dean Smith, Dr. Naishaj Shah, Carla Hughes and staff of Myrtle Beach Family Medicine.

“ We little knew that morning  
God was going to call your name  
In life we loved you dearly  
In death we do the same  
It broke our hearts to lose you,  
You did not go alone.  
For part of us went with you,  
The day God called you home.  
You left us beautiful memories,  
Your love is still our guide,  
And though we cannot see you,  
Our Classmate chains is broken  
And nothing seems the same  
But as God call us one by one  
The Chain will link again.

*We will miss you beautiful smile in class. We loved you and your memories will be forever in our Hearts.*
