“ Kitty: From all your girlfriends, and neighbors, you made such an impact on all of us. From the time you moved into the neighborhood with those 2 small boys. You were always sitting in the backyard reading and hoping someone would come along and keep you company. I was one of those, who visited often. We all loved your zest for life and your humor and your honesty. We will miss those visits up North when we would all get together. To Russell, Dennis and Bob. "There goes a great lady". We are going to drink a toast to you, Kitty. Keep looking down. Your dearest friend, Vicky Maiorino and the Gang.##imported-begin##vicky maiorino##imported-end##
