“ Mom,

We love and miss you so much! Mom, you have given us the best mothers love and care that any of us could have ever asked for. We know they're were good times and they're were the not so good times, but you're love for us never changed. God received a very special Angel when He called you home. We know your love for the Lord was from deep down in your heart and you were ready to take His hand and walk with Him. Yes, you will always be missed and you will always be loved by so many, but we also know that you were ready to begin your walk home with Jesus. You can walk and dance now beside Jesus and that makes all of us very happy.
