“ I'm so sorry for your loss. I only had the pleasure of speaking to Kathleen once around 2014 on the phone. We are connected through my Addair family line as well as through her brother Willie who married my grand Aunt May Keen.

Kathleen was so kind to share with me some of her memories of my mother Hattie Keen as a young girl (mom past in 2017 at age 96). Kathleen spoke of mom going around the mountain with a pail to fetch milk at a relatives store for my sick grandma Barbara Keen. Grandma died in 1934. You can only imagine how shocked I was to hear any sweet tails of the days when my grandma (whom I never got to meet) was still living. She died from TB when mom was 11. Thank you again Kathleen.

May God wrap his loving arms around your family and give them peace to get through their loss of you. But they will see you again one day. I also look forward to meeting you the good Lord calls me home too. PS, my family new the Canellas family very well when we lived in Beartown, McDowell Co WV. We wouldn't take nothing for our memories.
