“ Mickey, Steve, Johnny, and Chrissy
You were truly blessed in having such great parents. It is very difficult to lose a parent. Unfortunately, there does come a time when you have to love them enough to let them go. Your Father and Mother are now together and both watching over all of you. Your Mother carried on after your Father passed as long as she could. Now let all the wonderful memories your parents gave you, help you through this time of sorrow, and follow the road they paved for you. Love and Prayers be with you all.

“ Mickey, Stephen, John, and Chrissy,
We are so sorry to hear about your mother. She was a special lady and we thought a lot of her. She will be greatly missed. Having just lost my daddy, I know this is a sad time. Everybody says it will get better but it doesn't happen overnight, Just focus on the happy memories and know that she is resting peacefully in the arms of our Savior. Our prayers and thoughts are with you during this time. My family loves you. God bless you all.
