“ *When you move to a new city with a house full of young kids and pets, you worry about getting along with your new neighbors. In 2010, God blessed us with neighbors that turned into family, John and Kathy Czajkowski. The great memories we made in a few short years could fill up this entire website. Kathy, we will miss your laughter and stories but mostly your friendship. John, Donna, and the rest of your family, I know I can't say anything to make this moment less sorrowful, but you are in my family's prayers. Though we can't be there with you now, we are with you in spirit and our hearts ache with yours. Rest in peace, Kathy.*
