

Kathleen Clare DuMont

October 16, 1927 - March 23, 2026

K. Clare DuMont passed away peacefully in her sleep on March 23, 2026. She was 98 years old.

Clare was born on October 16, 1927 in Montreal, Quebec. The oldest of three children of John and Kathleen Boyd. Clare was a beloved mother, grandmother and great grandmother. She was known throughout Pawleys Island and the nearby areas as the sweetest 98-year-old who goes everywhere and always had a smile on her face and a Starbucks or glass of wine in her hand! Throughout Clare's life she was known as the nicest person, never having a bad thing to say about anyone and treating everyone she met with kindness.

As a young girl growing up in Montreal, she could always be found wearing pretty high heels and a smart dress, taking the street car into the city to work at her secretarial job. She met and later married David DuMont in 1952, and moved to Malone NY, where she started her life as a stay-at-home wife and mother. Clare and David moved from upstate New York to South Carolina in 1981, and ultimately settled in Pawleys Island in 1986.

Clare was most proud of her large, loving family. She is survived by 4 children, Michael DuMont (Sharon), Stephen DuMont (Jamie), Gregory DuMont, and Jennifer DuMont (David Pankau), 20 grandchildren, (Rebecca, Nathanael,

Danielle, Rachel, Griffin, Adham, Marcel, Brigitte, Joshua, Jacob, Brittany, Shannon, Colten, Victoria, John, Jeremy, Noah, Cameron, Katelyn and Devin) and 9 great grandchildren. Clare's husband, David, and two children, Matthew and Boyd, died before her.

While a stay-at-home mother, Clare loved to spend her free time gardening, bowling, shopping for gifts for all her family members, and playing poker on Friday nights! She went back to work later in her life, and worked at Litchfield Plantation until she was in her 80s.

The family will hold a private service at a later date. In lieu of flowers, memorials can be made in her name to the Precious Blood of Christ Catholic Church, 1633 Waverly Rd, Pawleys Island, SC 29585.
