“ Kitty, Aunt Stephanie will never forget the time that she was your model when you were graduating Hamtramck Beauty School and the elegant apartment that we rented you when Eddie got out of the service. Also, you were the only female pallbearer for Uncle Wally. As the oldest girl, you were like Stella's assistant to take care of all the kids. I remember you and Eddie rushing Sharon to the hospital when she got burnt in the bath tub. Those were the good ole days when the adults could go out and leave 10 kids at home. You would lead them all to Joanies to pick out penny candy. You will never be forgotten and I look forward to meeting up with you. You and Stella can get the party started up there. Love you, Aunt Stephanie###imported-begin##Aunt Stephanie###imported-end##

“ Kitty loved life to the fullest. There is no doubt that she had unconditional love from Eddie, she was a mother and best friend to her daughters, she was a second mother to her brother and sisters and she loved leading the party. The Smyk family will miss her dearly. Donna, Denise and Chrissy have to carry the torch by always making us laugh. I can't stop thinking of the great memories of family vacations in Houghton Lake. Kitty, may you enjoy the peace you now have.###imported-begin##Mary (Smyk) Malewicz###imported-end##

“ We will forever feel the absence of Miss Kitty in our lives. Her honest (and blunt) yet heartfelt words of support and kindness for us and our new family will never be forgotten. She had a way of making us all feel sixteen again, at home with our own moms, every time we stayed there. From the fabulous cooking, to being reprimanded for doing something wrong, to being made to put whiskey on your cold sore, to falling asleep with her on her bed watching a movie. Myrtle Beach will never be the same, this world will never be the same and our lives will never be the same without her in them. We loved her beyond words and will miss her terribly. We can't even begin to imagine how you and your family must feel Ed, but know that we are here and thinking of you and love you all! We are so sorry for your loss. “ Dear Glowacki Family, It pains me that I cannot be there to say goodbye to Aunt Kitty. I will miss her laugh, smile, and care dearly. You are all in my heart at this time. And I would like to share this message written to me on a sand dollar she gave me as a little girl, because maybe it will help you get through this tough time as it does me, since its what Aunt Kitty would want: "Train your heart to smile and your soul to sing, and you'll find blessings in each and every thing."
