“ Cookie, I am so sorry to hear about your mother. I always loved your mother, I lived her humor. I still use some of her "sayings" that i learned from her. She was a very unique person and I loved that about her. Please know that you are in my thoughts.

“ Kat, you will be missed by so many💔, including me💔! You fought the good fight, and gave it your all💔, I will miss the strength you had, to come back each time, over the last few years, from sickness, to your falls, you hung in there! You were a fighter, and that's how I will remember you. “They” don't come like you anymore, your strength, like my grandmothers strength, was rare, and I admired that in you! It's time now, Kat, that you CAN, Rest In Peace!❤️🙏💔🙏❤️
