“ Dearest David and Jenny: I am deeply sorry for the loss of your mother and your sister. I remember a few times that we were together. One time I remember is when your family came to Ohio (Macedonia) and visited us on Crow Drive. I remember playing table tennis with all of you and if I remember correctly Heather beat all of us. At this same time, I think that you and I Jenny did makeup in my room. My mom was so upset because I was "to young" at the time for makeup. I loved it. I also remember the times we visited you in St. Louis and West Virginia. We, as kids at the time, had so much fun together. I remember David showing me his Karate moves. I think you were either a yellow or a brown belt at the time...I think. I miss you all and would love to get back in contact with you. Look for me on facebook. Miss you and Love you both. “ To Kay's Dear Family, Our thoughts are with you at this difficult time. It has been such a tragic year for you and you have our deepest condolences. Kay's highest priority was always her family and we know she loved you all dearly. It was such a shame that her recent health problems kept her from fully enjoying her beloved grandchildren the way she would have liked. We will remember her for her kind heart and devotion to all of you. Our love especially to Jenny, Todd, Samantha, Eric and David.##imported-begin##John and Karen O'Donnell##imported-end##

“ Jenny and David, I was so sad to get the call from your dad. It's hard when it is a blessing that her pain is no more - but the sadness of missing her presence. In her twenties, we were inseparable. I'm sending pictures of both of you when you were little. David asked me for some when I saw him last. My thoughts and prayers are with you both.
