“ *Kathy and I connected through Facebook. At the time she was working on genealogy. We were related through the Yehl-Kilgore-Pilsl side. I hadn't heard of her passing until now. My sincere condolences. May God's eternal light shine upon her, with peace and comfort.*

“ *Dear Bob and family: Kathy's birthday popped up on my Facebook page yesterday. Went to send a message and saw she had passed away. I am so sorry. She was such a wonderful friend and was so good to me when we first moved here to the beach. Then we got to work together at the drug store. We had such a good time. I am so sorry for your loss. I know she has been made while and no longer in pain. Our loss is heaven's gain. Will never forget her. Take care of each other. Hugs, love and prayers to all. - Pat Hunter-Dohner*

“ *Bob and family I want you send you my prayers and know that Kathy will be very missed. I work with her at MBP for a few years. We had the best time when I worked in her classroom. She loved all those babies that past through her classroom. She was great to hang with. I loved her and will miss her dearly. Sending my love from Kissimmee, Florida.*
