“ A very long time ago, I met the Moore family. First thru Girl Scouts and then by being their babysitter for several years. Katy was always the planner...always having a goal in her mind. We had lost touch after they moved to Conway. But I remember them all fondly and will keep them in my prayers always.

“ You've been my roommate for about the last four years. We haven't always seen eye to eye but you have been a friend to me and at times like a sister. You were always so talented and creative and I enjoyed the quiet times when we watched shows together. You will be missed but let us treasure the memories we have of you and not dwell on the heartache. Go in peace, my beautiful friend.

“ I am going to miss Katy. I'm not sure if she knew how much I loved her. Back when she was very young we grew up together like sisters. Although we grew up and grew apart we had a chance to reconnect last year and I loved being able to spend time with her. My fondest memory is her helping me to face my fear of heights last year on a ride we rode at Disney. She held my hand and told me it was going to be ok and she was there for me. Wish I could have been there for her so she wouldn't have to suffer this fate. RIP Katy
