“ I just learned of Katie's passing. She was very kind, sweet, and helpful. She was part of the reason I considered CVS my hometown drug store. Always with a big smile! She talked with such joy about her family. The world was a better place with her in it. I hope her family and friends are comforted by their memories of her.

Katie was my morning smile at Murphy's! She always called me her single member coffee club and made me laugh. I can not imagine never seeing her smile again. She was truly the kindest most compassionate woman I know.
