“ *Kathy, Sandy, Jan and Kevin: I am sorry for your loss. I know that each of you were close to Katie and that she was a big part of and influence on your lives. She was a nice and thoughtful lady. After the passing of my father, Katie visited my mother from time to time. My mother always enjoyed Katie's visits and the conversation.*

“ *I only knew Katie through Kathy but it was always interesting to see what Ms. Katie had been up to on week-ends Kathy went home to see the family. She certainly seemed to be a very colorful person, you never knew what might come out of a conversation. Kathy said she loved to talk and enjoyed life. What more can we ask for in life. Chapter 5 in Matthews describes the Beatitudes. These are the things that we are promised from God. This is now what Katie has. I pray that you will find peace and comfort in this scripture. We know that in all things God works for the good of those who love him, who have been called according to his purpose. Love to you all, Peggy Herring*
