“ Walking to the Firework store and shooting fireworks that night many times. Loading Wynn and Mike's cigarettes when they were going to a nice restaurant on a date. Kay, Ginger and I putting on skits for our parents and other family members such as Dennis the Menace and Kissing cousins. Getting in chicken leg bone fights at my Grandmother's in Edgefield. That would be your Aunt Telling and Kay getting mad and chasing us all around Grandmother's. Many short trips to the ocean. Many Many fond memories. Sitting around listening to Ray play his guitar and sing. Many reunions. Love to all!!

“ Susan, Wrynn, Ginger and families, I am so sorry for your loss of your beloved Kay. I will remember her as the feisty sister whom I met when I was caregiver for your beautiful Mother. She fought the fight as long as she could and now is united with her loved ones. I know you all will miss her so much as you girls are very close, a trait I always admired. May God give you comfort, strength and peace during this difficult time.
