“ Frank, Kay was such a special lady, we are very grateful for the chance to have known her like we did. She gave a lot of herself to those she loved and she loved you, her family, her friends and we all loved her. Personally, she taught me a very special lesson in bravery and optimism. I'll never forget her laugh. We're here for you. Karen & Dave Chipps##imported-begin##Karen Chipps##imported-end##
