“ *My Dear Friends, Two of my all time favorite people have embarked on a journey without me. I am so sorry I was not aware until now. Wow-- what do I say ? I am so sad. My buddy Keith was such a blessing to me. He would walk to my office and always stop to give me a huge smile and speak-- Juanita would give me the look-- you know the one "Susan don't distract him". I think Keith just wanted to flirt-- I loved being his distraction. I know it was such a WOW experience for him when he arrived at his destination on June 24th. Talk about distractions! Maybe it was Keith making my wind chimes sing. I have them there so my dear Matt can talk to me but Keith and Matt may have cooked it up. I wanted to tell you both, Lynna and Ennis, how much you and your family added to my life. I am so sorry I was not there for you and with you. All my love,
Susan###imported-begin###Susan Moore###imported-end##*
