“ I haven't seen or talked to Keith since the early seventies. We were good friends through all grades of school. We had many classes and home rooms together. I only saw him a few times after we graduated, but the news of his passing has affected me profoundly. He was a good guy and has left us way to soon. My prayers and condolences to Keith, and all who knew and loved him.##imported-begin##Keith Stetler##imported-end##
