“ *It does not seem that long ago when Rev. Ann and Rev. roger were raising small children and then they became adults with the light of Christ shining in and through them to others. I have no doubt that God is saying "well done, good and faith full servants and for this you will meet again this side of heaven." You are all in my prayers! If we can do any thing call us!*

“ *My husband and I met Kelley by chance at an Open House, and we knew right away that we wanted Kelley to be our Realtor. Professionally, Kelley was amazing. She handled our home search and purchase as if we were her only clients. Despite the distance from our home in NJ to our future home in North Myrtle Beach, Kelley never missed a step and kept us abreast of every detail. Personally, Kelley was a blessing to us. My husband had just been diagnosed with cancer when we began our house hunt in earnest. Kelley led him through many of the ins and outs and set an example of strength and optimism. Kelley also offered her insights to me about being the spouse of a cancer patient. She followed up with emails, texts, and prayers long after our purchase was complete. I texted her at the end of July, and she was as upbeat as ever. We have lost a true friend. Ed and I send our love and condolences to Jeff and to all of Kelley's family. We will always remember Kelley as a kind, selfless, and remarkable person.*
