“ Kelli was one of my close friends and college roommates at ECU. The memories are too many to count. I will always think of her lounging around with our ferrets, going on crazy road trips to see bands, her awesome outfits and Halloween costumes, and talking all night. One of my favorite memories: Kelli and I signed up for a weekend learning ropes courses at a boy scout camp. We were the only girls. It was one of the hardest things we ever did but we stuck through it and both felt accomplished. The 40 foot high course was the biggest challenge! We both learned to tie our own swiss seats too.. One more: Our 10 day sea kayaking adventure in the FL Everglades, Kel and I shared a canoe for the first night, a 12 mile paddle. We fought and laughed the whole way through trying to control that boat. For the rest of the trip, we dealt with no-seeums, sore muscles, exhaustion, crazy heat, and body image issues. But we fought through it all and it was one of the best times we ever had together. I will always remember that some of my biggest fears were met and overcome with Kelli by my side. I could go on forever...I am sending all my deepest sympathies, big hugs and good healing vibes to Bobbie, Trudi, Dave, Jeff, Jonah, Billy, and everyone else who knew and loved her.

Kelli was a dear friend of mine. We shared friendship with Melissa and Chandi. We went on camping trips together, cooked food together, hung out and just laughed. Kelli was hilarious and I cannot believe that she is gone. She will be missed so much. -Arica Loibl Long
