“ I first met Kelli when she was around five years old at the Sister Georgine School where I assisted in teaching the children. I met her again when she came to school at the Sypek Center. Kelli was a delightful child you couldn't help but love- right from the start. I was so happy to see her again and had the fortune to work with her until she graduated from Sypek. I am sure Kelli was here to put sunshine in our hearts. She will not be forgotten.

“ Earle always chuckled when he remembered your sharing how Kelli was a little girl still in a crib and Jeff, you, and Jean, learned to deal with the antics of a two year old!! Her smile filled your soul with joy while her antics were challenging. She helped both of you to learn more about yourselves and in turn to work toward being even more sensitive and caring human beings. You both accomplished this journey as Kelli was a gift from God and she, therefore, played a big part in giving you guidance to achieve this.

*Remember all the moments of joy with your very special girl!!!
Fondly

“ *Dear Jeff and Jean,*

I am sorry to hear about Kelli. I know the dedication and love you had for her all the days she was with you. How does one understand this loss? Just knowing that God is near you in some unseen way. The pain is to great right now. Move through each day the best you can. Know that you have been as well as Kelli in my prayers daily and I will continue to keep you in my thoughts and prayers. May God grant you the graces you need this day. Love. Sr.Barbara
