“ I will never forget the wonderful times shared at Bethel Faith Center with Kelly and the whole Malone family. It is there that the spiritual foundation for my life was built. I will treasure those memories forever and will always be grateful for the teaching, praise and worship we shared. I did not have the privilege to hear Kelly preach, but I know in my heart his teaching and preaching was as anointed as Willie's was when he pastored Bethel. My thoughts and prayers are with the family. I pray you find peace and comfort in knowing he's with his Heavenly Father!

“ *It speaks volumes about a person when they can be gone for so many years yet their memories still remain precious. Kelly was a good friend and a wonderful teammate of mine at HHS. Just recently I called Kelly needing help for a person that he and I played against at Happy Valley. His nephew had a brain aneurysm at the beach while on vacation and the family needed help with lodging while he was in the hospital. All it took was one phone call to Kelly. Through God, Kelly did the rest -- no questions asked. I am thankful to have known him as a fellow classmate and friend. Best of all I'm honored to have known him as a Christian brother. RIP.*

“ What a friend! Passionate and incredibly positive, Kelly was an such an encouragement to me at Hampton High School. I told his story to other people even back in the day. He worked hard and played hard. He was a gifted athlete and person. Most importantly Kelly and "Uncle Willie" challenged me in my walk with God. At a critical time in my spiritual journey, they helped me know the power of God in a way that has changed me forever. Many will be grieve Kelly's loss - but what we we "can only imagine" Kelly now knows face to face - in the presence of Jesus! - Dino Senesi, HHS '77, Rock Hill, S.C.
