“ *Kathy and Family so sad to hear about Ken's passing. We recall all the fun outings we shared with both of you...the Bingo nights and dinners, the 4th of July parties, and our brief Ciao events. He was always fun to be around, friendly and outgoing, and a witty sense of humor which kept a smile on everyone face. He will be missed by all who knew him, and we are thankful for the opportunity to call him a friend!*

“ *Kenny was a good friend and travel partner. We shared many wonderful weeks of vacation over the years. “ A good man we wish we had been closer friends with.... yet such wonderful memories of the many times we did spend together. Always a friendly smile, a kind word, witty conversation, and an honest interest in what you thought and had to say. Yet another reminder of how precious life is and how very little time we all have. Ken was loved by Kathy and by his family and friends. The world is a lesser place without his presence. RIP Ken
