“ My thoughts and Prayers are with Ken's entire family. I worked with Ken at the Florence Post Office for the past 7 years. Ken was an outstanding Mechanic, Friend and all around great guy to know. He was also the toughest, bravest man I know to go through what he had to and still come to work every opportunity he could. Normal people would have given up working long ago but Ken was a special guy and will be missed greatly by all of us. Godspeed Ken!!##imported-begin##Bobby Heffinger##imported-end##
