“ Dear Family,
Even though I couldn't make it to the services, my heart goes out to each and every person who was touched by this gentle man. Uncle Kenneth was a loving man who was bigger than life itself. He loved life (hunting, fishing, farming and spending time with his family). We were lucky to spend several summers helping him harvest tobacco, and was even allowed to just be kids (playing in the most amazing playground in the world).

He will be missed, but will always have amazing memories. RIP

Your loving niece,

Tracy Mishoe-Hughes

“ *We are all saddened to hear of Kenneth's passing. I remember how him and papa use to love to cut up and joke but I also remember how passionate they were for farming. My mom loved him when she was living so I'm sure she was happy to see him up there. May God bless the family in this time is my prayer.*
