“ I am so saddened to hear of Kenny's passing. I met him at a church camp, Project Amigos, I think perhaps we were in 9th grade. He was so sweet, funny and endearing. He was one of my first real crushes, and a short term pen pal after that. We caught up on FB just a year ago, after so many years. I'm lucky to have known him. My thoughts and prayers are with his family and friends during this difficult time.
