“ He was a great man not only in stature but in his kindness and caring. He was always there to give guidance if needed and ready to lend a helping hand. Just this past summer he went out of his way to pick up some motorcycle parts I purchased in his area so that I wouldn't have to spend extra money to have them shipped to me. And with a little help from my cousin he made it happen. This was just a little bit of the type of person he was. I know I will miss him greatly! I now picture him sitting with my dad and giving my nana a hard time all in fun. LOVE your nephew Scott.##imported-begin##Scott Hinks##imported-end##
