“ To Ken's family: He was a very close friend of mine for many years. I loved him dearly and will surely miss him. He was lots of fun and we will all have wonderful memories of him. I met a few of you at one time or another but it seemed like I knew you more than that from just listening to Ken. I will keep you in my thoughts and prayers and if you need anything please feel free to contact me. Love, Trish##imported-begin##Trish Barfield##imported-end##
