“ Kenny was my next-door neighbor and more like a brother. we would hop in his car and ride to the beach, cruise the blvd and sometimes (stop at the Burger King on Kings Hwy- near Family /kingdom) and grab a Whopper w/ cheese. I have nothing but fond memories of my dear friend. I loved him and his family. Was in his Wedding, taught me to build model cars, Kept me updated on how my dad was doing when I was living in Charlotte-Gastonia. Stayed in touch and talked about twice a year. Called Wednesday to share a memory and his number was NIS. Called the house and left a VM and Francis called last night to tell me of his passing.... Oh, how heartbroken I was, but I believe I will see him again real soon!

“ *Kenny you will never be forgotten. It was so enjoyable walking and throwing digs at each. My dog loved her uncle Kenny so much couldn't walk past your house when you were outside. So many other laughable times. RIP my friend.*
