“ I am so sorry for your loss. Please accept my deepest sympathy. May you find comfort from your memories, as well as the comfort found in God’s word the bible. In particular the scripture found at Revelation 21:4 which says, “And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away.”

“ My prayer goes out to Ken's family. My name is Thomas McCall-Myers, a friend of Ken's. Ken use to always come into the store where I am employed (Gullies #12). He always knew how to joke around and keep me laughing, gave me useful advise, and he also helped me on my vehicles when I needed, he knew all about them Chevys. He's in a better place now though, but he will be greatly missed on Earth and never forgotten. Much love. RIP Ken

“ *Ken, I have a favorite picture of you and Michael playing Tonka trucks in the dirt when we were camping. He was about 2 so you would have been about 11. Everytime I look at that picture (and I have many times over the years), I see you making sure that, as boring as it might have been to you, that Mikey had someone to play with. You took care of him. I am grateful for that simple little thing you did and all the things you didn't know you did to make us feel special. I love you so much! Please save us a good spot for when we get to see you again. XO*

“ It's hard for me to put into words the sorrow Ken's passing brings to me. My heart goes out to all his family, especially Kirsten who I know he loved so dearly. Also to the circle of friends that are grieving deeply as well. Ken touched more lives that I think even he knew. To me he was a dear friend and a band mate, we used to spend hours together watching movies, playing music or just hanging out. He was even a groomsman at my wedding. I'm going to miss him terribly. God Bless and RIP my friend. - Chris "Ace"
