“ I tried to send an email to Ken and learned the account was closed. That was how I learned Ken had passed away almost 2 years ago. We were neighbors some years ago and we became very good friends. But as often happens, we both moved to different states and lost touch. Ken and Dot were great friends and we had some very enjoyable times together. While I am sorry to hear of Ken's death, I did know that he had experienced some serious health complications, and he now has found eternal peace. I offer my condolences to Dot and the family on his loss.
