“ Every visit to the Kent & Sandy Kramer home, on Tannery Road, was a treat for me. I marveled at Kent's ability to transform their parcel of land into the Kramer Homestead. I envied Kent & Sandy working side by side and molding their dream. Always seemed to be new projects under way and I was always amazed at the talent of Kent to be able to do all of these things. A rare person he was. Then again, he was a Kramer and part of that clan that I always considered to be an extension of my family, as I grew up. To you Sandy and to your children, my heart goes out to you all and I share in your emptiness and sadness. To Karen, Darby, Gail and Clem, I feel the pain and sadness in losing your brother. I sincerely do folks! I am glad that Kent & I crossed paths for he made my life a little bit brighter and for that, Kent, I truly thank you.
