“ We loved Kent's sense of humor, and "can do" attitude. We so enjoyed him on our trips to Haiti and he could bring laughter and joy to any situation. We will all meet together one day in heaven. I hope he's gotten to meet my Dad there. He was from TN too, had a great sense of humor, (liked Vienna Sausages), they both loved Jesus and serving and they had a lot in common! Love to sweet Penny and Beth and your whole family. Praying for your comfort and peace.

Love,  
Gary and Laura

“ So sorry to hear of Kent's passing. I have never forgotten the kindness that he and his dad showed me when I worked for them at the Uniroyal Tire Store in Morristown. He was a great mentor and helped me get my first real job out of college. He was a smart, caring, and fun-loving guy. My condolences to the family. Ken Turner
