“ Emily Rose: I just wnatod to let you know that know matter what I am always here for you, Kim, and Rusty, although i don't really know him. I'm your cousin and all but I didn't really know Kersey Grace. But from what I have heard from Granny, Marjorie Hardee, she a little angel sent from heaven. Although she was only with a short period of time think of all of the others who never met. Like me. I wasn't lucky like you. I did't get to see the brilliant baby girl. But I do know that through family, God, and prayer, you will get through this as a stronger whole. I Love You!!!! Your Favorite Cousin Ever, Taylor S. “ I had the privilege of meeting this wonderful little girl on a recent trip to the Ronald McDonald House. Of all the incredible little blessings that we came in contact with, Kersey was the one that captured our hearts. We all left that home more aware of the blessing of Life and the Peace that can only be found by the Love of our Heavenly Father. I pray that through this difficult time, you hold on to God's peace, rest and comfort. Your family will continue to be in my prayers.##imported-begin##Julie Henderson##imported-end##
