“ hi grandpa,
i wish more than anything that you were still
here. it hurts so much knowing i only got to see
you a couple of times, and i'll never get the
chance to really know you the way i wanted.
sometimes i look at pictures and imagine us
together, and it makes me cry because i wish those moments were
real.

i just want you to know i love you, and i'll always carry you with me. i
hope somehow you can see me, see the person i'm becoming, and
know that i'm thinking of you every single day. you'll always be a
part of me, forever.
