“ *Mike: Annelle and I were distressed to learn that Kim has passed. She was such a special and dear person. You and Kim were on the first Faith Alive team I ever coordinated. It was held at St. Peter's, Charleston in 1997. Back then The Rev. Bill Huff was it's rector. Kim had asked me not to call on her to give a witness but I forgot her request. The Lord had a hand in that, because when I unexpectedly called on her, she gave the best witness of the weekend. Later ya'll served on team at the Church of the Epiphany in Eutawville when I was the weekend coordinator. The Rev. John Scott was the rector at that time. Although Annelle and I have not seen you or Kim during the last several years, Kim always held a special place in our hearts and it was always a joy to serve the Lord together with you both. Please accept our heartfelt sympathies. We share in your grief while at the same time knowing that she is with her loving Savior, Jesus Christ.
May the Lord give you his strenth and peace at this difficult time.

“ If it wernt for Kim our families would likely have never met! Susan met Kim at the Waterford pool in 2005 while our house was being built and we were staying in a Condo Uniti nearby, they got to talking and the next day Mike was calling Susan for a position at CCU as a member of the Biology Faculty! Then come to find out Mike was a Mason to boot...

Mike, we were so saddened to hear of Kim's hospitalization and subsequent homegoing. We haven't kept up like we should, with your home being far away, but we treasure our friendship and the good times we had. We remember your wedding, Kim's graduation, meeting for lunches/dinners. Our prayers have been with you since Patricia llet us know.

Jack has memory problelms which are either related to brain ischemia or early onset alzheimer's. Consequently he can't drive and I no longer drive at night on the highway. Therefore we won't be at the visitation or Kim's funeral. Know we still will keep you in our prayers. Love, Jack and Skip
