

Kimberly Prystaloski

November 17, 1956 - January 2, 2026

Kimberly Prystaloski, age 69, of Myrtle Beach, passed away peacefully on January 2, 2026.

She was born November 17, 1956 in Parkersburg, WV to the late John & Janice Barnes Wroth. Kim graduated from Morris Harvey College in 1978 where she received, with honors, an ASRT in Radiological Technology. Later, expanding her skills, she became a licensed Ultrasonographer.

Kim was a diligent and caring wife and mother. She worked tirelessly to provide every opportunity for Katie. She was a loyal friend to many but was funny and fun-loving. Things were never dull around Kim and she made every day new and interesting.

After retiring and moving to Myrtle Beach, she worked for 7 years at the admission booth for Myrtle Beach State Park.

In lieu of flowers, the family requests that memorial donations be made to any charity organizations for rehabilitation.

Goldfinch Funeral Home, Beach Chapel is serving the family.
