“ One of my most vivid memories of Ine was of her telling the story of when she got audited by the IRS. She used to go to the track a lot, I mean a lot. She usually wins, but also had a lot of write offs. When she went in to her audit, they did not expect her to have as complete a records as she had, but she brought in half a dozen she boxes with all her track receipts filed. The audit did not go any further, the IRS threw up their hands and escorted her out of the building. We lost touch after she moveed to Myrtle Beach. Rest in peace Ine.

“ Dear Joe and Family We will all miss Koei. She always had something to give everyone - fruits, cake and the food that she made. I will miss bringing her the eggplant and basil, she would say "Joe will love this." And before you knew it she would come back to us with some fruits and whatever she thought we would enjoy. I know you will miss her cooking and sitting in the car at Piggly Wiggly waiting for her - she would say "Joe you wait here" because she wanted to shop and see what she could bring all of us. We will all miss her.##imported-begin##Freddie Maria & Carmen##imported-end##

“ Dear Joe & Family, It is hard to say goodbye to someone who has left us so many good memories. All the delicious Chinese meals she had us try, the soups she made when Carole wasn't feeling well, (soups no one else could top), the caring phone calls and just being a special friend, are just a few of the good memories that will keep Koei alive in our hearts forever. Rest in peace with no more pain.##imported-begin##Carole and Lou Molnar##imported-end##

“ Dearest Joe and Family: There are no words that can tell you how much Koei will be missed. She is always going to be a part of our lives. From the cakes we make and my grandchildren call Koei cakes to the heating pads she made and we say heat up the Koei. We loved her and will miss her dearly. God rest her in Heaven.##imported-begin##Maria & Matthew Lanzer##imported-end##
