

Kristin Lane Kort

August 2, 2010

Kristin Daly Lane Kort of Pawleys Island, SC passed away on August 2nd. She was 30. She was born in Greensboro, North Carolina on June 20, 1980. Kristin was raised in her beloved town of Pawleys Island, with sand between her toes. Her love of the coastal beauty was evident in everything she became. Kristin graduated from Waccamaw High School in 1998. She attended the College of Charleston and graduated in 2002 with a BA in Business Administration. Kristin spent two years in Birmingham, Alabama as a production assistant for HEALTH magazine and a start team member for Cottage Living Magazine. Even though her career was flourishing, she longed for home. Upon return, Kristin courageously began her own business KDL Photography, Take a Peek Virtual Tours in 2005. Her pictures revealed the beauty with which she saw the world. Kristin soon became a well known and respected member of the business community. Kristin's greatest joy in life was meeting and marrying "The One Whom My Soul Loves," Sean Allen Kort. They were wed on May 30, 2009, and enjoyed one blissful year of marriage. Kristin's love for the Lord was evident in every aspect of her being. She served in many capacities at All Saints Church, Pawleys. Kristin's joy in life came from making others happy. Her bright blue eyes always lit up every room and her zest for life was contagious. Kristin is survived by her husband, Sean Allen Kort; father David Michael Lane and mother Martha Daly Lane; sisters Elizabeth Ruth Lane and Katherine Lane Bellamy and her husband Scott; brother David Michael Lane Jr.; grandmother Josephine Floyd Lane;

grandfather Dr. Roswald Bernard Daly; mother-in-law Mary Katherine Purvis; father-in-law Regis Henry Kort and his wife Donna; brother-in-law Michael Regis Kort; grandfather-in-law Kenneth Leroy Purvis; great grandmother-in-law Dorothy Geyer Purvis. Visitation with friends and family will be held Thursday, August 5th from 2-4 pm and 6-8 pm at Goldfinch Funeral Home, Litchfield-Pawleys Island Chapel, 202 Hinnant Lane. A service in Celebration of Life is to be held at 10 am Friday, August 6th at All Saints Church, 3560 Kings River Road, Pawleys Island. Although Kristin's life would seem too short to many, those who were touched by her understood that the quality of existence far exceeds the quantity of time in which one lives. Sign a guestbook at www.goldfinchfuneralhome.com Memorial donations may be made to All Saints Church Marriage and Family Life Ministry. Goldfinch Funeral Home, Litchfield-Pawleys Island Chapel is in charge of the arrangements.

“ I can't even describe the love I had for Kristin. She was everything that I wanted to be and so much more. I will never forget her smile and her laugh, and the high pitch she hit when she was excited about something! She could make anyone smile on the worst of days. Everyone who met Kristin is a better person because of her. You will be missed and be forever in my heart. I love you always.##imported-begin##Heather Langway Dispain##imported-end##

However, Kevin sent this to me and I fear I would not be able to say it any better: "She was the best person I ever knew. She was the only person I ever met who never meant any harm or felt felt any animosity towards another person, and she made me want to strive to be a better human being more than anyone I ever knew. “ Over the last 2+ years I've had the opportunity to work with Kristin developing the software for her virtual tours and various other photography projects. Although we spoke and Emailed so many times, I can't recall a single time where her energy and excitement didn't shine through. She always had great ideas and genuinely cared about delivering the best possible product to her customers. As a fellow entrepreneur it was always energizing to speak with her about new possibilities for business and life. Always knew it was a good day when I picked up the phone heard her say "Howdy Mr. Lee!" My deepest sympathies to all who have been a part of Kristin's life. Truly an extraordinary person that I'll never forget.##imported-begin##Lee Evans##imported-end##

“ I worked with Kristin in Birmingham at Southern Progress. I loved her sweet smile and her bright blue eyes. They always cheered me up when she walked in the room. She learned to knit and she knitted me and my mother a scarf one time. I used to kid her and tell her she was knitting machine. The scarf is still one of my favorite scarfs today. I was pregnant with my daughter Holly when she worked in Birmingham and she gave her the sweetest hat, blanket and shoes. My daughter still wraps up in that blanket all the time. I didn't speak to Kristin that often, but I thought of her very often and hoped she was doing well. She will be missed greatly here on Earth, but will be a gleaming soul in HEAVEN. She was a very special person and I want to express my deepest sympathies to the family. I know you all will miss her so much. She always talked about home and family. You could tell from the way she talked about them that there was love in their house. May God comfort you all during this time. I know there will be difficult times, but I also know Kristin is shining light in heaven right now, and she will make it a better place. “ Martha, David, Sean, Katie, Elizabeth and David. My heart is heavy at your loss of Kristen. I know she is happy with the Lord, but there are mysteries and loneliness for you that I can only imagine. (Skip) I remember being in several plays at Access with Kristen where she played my daughter. I would have been proud to have her for my daughter - or any of your wonderful children. Martha and David, it's so apparent the love you share for each and your children and they for you. We can still see Kristen and Sean greeting at All Saints Door on Sunday mornings. Earlier I did Vacation Bible School with the girls and they all were delightful young women. It is one thing to say what you know by faith and another to deal with what you FEEL! “ Dear Martha and David, I was given the great privilege of knowing this wonderful, beautiful, and sweet child. When Matt wrote her smile and rosie cheeks would light up a room, it was not an exaggration. Her eyes would sparkle and her beautiful soul would shine through. I will never forget how she beamed as she introduced me to her future husband, Sean. I will miss her sweet voice calling me... Aunt Lana###imported-begin###Lana Jacobs###imported-end##

“ You are hourly in our prayers, and my heart breaks for you. Kristin's grace, beauty and joyous countenance were such a delight to us. In time, we'll rejoice in eternity; but for now we will ask for comfort for you from Him who is the only One able to give it. Love to you from Germany and Guatemala. “ First our deepest and most heartfelt sympathies... Neither family know us but, we had the privilege and pleasure of knowing Kristin. Never without a smile on that beautiful face, never without a kind word or positive thought... truly she was an angel here on earth! I worked with Kristin during the time she worked for Chuck Gee and again, it was my privilege. She will be dearly missed. You all will be in our thoughts and prayers, as you make your way through a most difficult time. “ I am very sad about the passing of Kristin. My thoughts and prayers have constantly been with the Lane and Kort families. I am honored that I got to know Kristin in high school. All those extra hot marching band practices!!! She never complained and always smiled even when everyone around her was frustrated. She was truly a caring person with a very sweet soul. You will forever be missed. Susan Taylor WHS C/O 97.##imported-begin##Susan Taylor##imported-end##

“ Although your life ended too short, I am blessed to have met such a beautiful person that could light up the darkest of rooms with your smile and rosey red cheeks. I love having met you and growing up together as neighbors in Pawleys Retreat. I can remember going sand-dune sliding on old floor pieces! Especially the time your mom and at the time, baby brother went down backwards! We got such a kick out of that! I know people say "She was like a sister", but you truly were like a sister to me. I remember coming to your house and seeing you laugh, cry and just needing someone to talk to. I will forever cherish the times we shared. This news has devastated me, but I rejoice in the fact knowing that you are in such an incredible place. We will see each other in the future and will rejoice when meet again. I will always have a piece of you in my heart, I love you and thank you for allowing me to share an incredible friendship with you.##imported-begin##Matt Smoak##imported-end##
