“ No words or actions could convey how sorry we are for your loss. On behalf of John-Michael, if we can do anything at all for you or your family, please don't hesitate to ask. As a parent who recently lost her beloved son, I can personally tell you that the loss of a child is by far the worst tragedy one could ever experience. If you need anything, I hope you will let me be of some help to you as you were there for me.##imported-begin##Sandra LeBlanc -Brown & family##imported-end##

“ I met Kristin many years ago in first grade, and I grew up with her throughout our school years at CCS. She wasn't very tall--she'd joke with you about that--but her heart was huge, and people noticed. The 2007 class of CCS was a very close group, and I know I can speak for everyone when I say that she will be very much missed. My apologies to the family as well as my good friend Bradley, for not being able to come back for the funeral, but you are all in my thoughts and prayers. We love you, Kristin :##imported-begin##Stephen Georg##imported-end##
