“ To the Davis Family,
We want to express our deepest sympathy for the sudden loss of your beloved Kyle. We met Kyle a few months ago, as he was our construction manager for the Lennar home that is in the process of being built. We saw him a week ago to walk through our house again, it is hard to believe he is gone. For the short time we knew him we saw his genuine heart and love for his work and family. We are so sorry that he has left our world at such a young age. It was a pleasure to have known him and we had hoped to get to know him better. God bless all of his family, friends and loved ones.

“ *Randall, Skyler, Kyle, and Rivers..As you know I had the wonderful experience of working daily with Kyle onsite in Clear Pond. It was always great when you all were able to stop by and see him and I got to meet/see you. The love and pride I saw from Kyle when he spoke about you all was beyond the moon. I grew to love him like a son/ dear friend, and was so proud of how he took pride in building new homes and caring for his homeowners in Clear Pond. They all loved Kyle, and some will be present at the service. He would be so pleased with the nice comments being posted by them. Most of all I was proud of how he tried to be a loving good son and father, there for all of you, and his committment making sure you were all ok. I am double broken-hearted as I am sick with Covid and unable to attend, please know that my prayers and heart are with each of you and all of your family. May God hold each of you in His arms and give you comfort. I again so wish I could be present to give you all hugs.*

“ So sad to hear of Kyle’s passing. I know your are broken. I’m struck with the pain of learning there isn’t any more Kyle in our lives. He lit up the room upon arrival. Loved that he called me Aunt Mickey Mouse.
Kyle is like a star...
You don’t always see him but, you always know he is there. Keep him close.
Wishing you God’s peace that passes all understanding.
Love you
