“*Kyler was a very great friend to myself and my husband Del. He was the life of any party! We all enjoyed sports especially NASCAR racing. As a former West Virginia resident, Glenna, Kyler and I shared stories of growing up in the North. Del and I love the Johnson and Bailey and Rabon family!!! We will never forget Kyler!* ❤️🙏 - Cheryl Ray

“*In a way no one could've seen, Kyler oriented me to my career. We both were not good at basketball in junior high and he said to me on the bench, Doc you have a good voice. And it wasn't long before I started in radio in high school and moved first into TV then to teaching TV. Thanks, old friend. See you soon.*
