“ *I hold your hand and watch as the sun slowly fades  
Far in the distance the Father is calling your name  
And it's time for you to go home  
And everything in me wants to hold on  
But I'm letting you go with this goodbye kiss and this promise*

*I'll see you in a little while  
I'll see you in a little while  
It won't be too long now  
We'll see it on the other side  
The wait was only the blink of an eye  
So I'm not gonna say goodbye  
'Cause I'll see you in a little while*

*And just one more thing before I let you go  
Please tell my little girl I love her  
Though I'm sure she already knows  
And ask the Father to please tell the Son  
That we're ready and waiting for Him to come*

*I'll see you in a little while  
I'll see you in a little while  
It won't be too long now  
We'll see it on the other side  
The wait was only the blink of an eye  
So I'm not gonna say goodbye  
'Cause I'll see you in a little while*

*Maybe you'll teach me all the songs they sing in heaven  
Maybe you'll show me how you can fly  
And I'll hear you laugh again  
And we won't remember when  
We were not together and this time it's forever*

*I'll see you in a little while  
I'll see you in a little while*

*It won't be too long now  
We'll see it on the other side  
The wait was only the blink of an eye  
So I'm not gonna say goodbye  
'Cause I'll see you in a little while  
I'm gonna see you in a little while  
- song by Steven Curtis Chapman*

“ *Mary would bring Kyliee to where Charles and i worked, so i knew her from about 3 weeks of age on. Kyliee and I would smile and I would talk with her and laugh to get her to smile big. as she got older, she would knock on my glass door till I came and walked with her. She is now and always in my heart. I know God and the angels are holding her close and she knows she is loved. Joe Pace*
