“ I woke up to the news that my dear grandad who I love with all my heart passed away this morning in Myrtle Beach, SC. He was the most loving, caring, and awesome grandad I could have ever asked for. He was there for my birth, and took care of me for many years after. He took me everywhere with him. His death has impacted me more than you could ever imagine. He was my hero. RIP Grandpa, I know I'll see you again soon, and say hi to grandma, and my dad for me! A day wont go by that I won't think about you! Love you! ?- Grandson, Shane.
