“ In loving memory of my dear neice; Circumstances granted me the chance to watch over you for a couple days and I am so thankful for those moments that I was given to bond with you- for I will treasure them always. God sent you to us and blessed us with your tiny presence for what seemed such a brief time but there is a reason for all your spark and joy and I will love and remember you forever. You have now gone home and like we watched over you, you will now watch over us. I will see you in heaven baby girl when the father calls upon me to join you. I Love you and will miss you. xoxoxoxox Love, Aunt Debbie###imported-begin##Deborah Strickland###imported-end##
