“ I met Lance a long time ago soon after he and Dianne married. I love Dianne very much and wanted her to be happy and I could see he was taking good care of her. He had to be special if she loved him. I saw that Lance was creative, intelligent, sweet, thoughtful and brave. I saw he had physical obstacles he was overcoming and he had the strength and courage to handle them. I wish I had known him better. I am sorry to hear of his passing and his loss to his family. I know what it is to lose someone you love very much, but we are better for having known him and for having him in our lives. Blessings to his family. You are in my thoughts and prayers.##imported-begin##Terry Wilson-Ives##imported-end##
