“Thena running into Lane’s arms shouting “my Lane!!” Lane had the biggest smile on his face, and I could genuinely tell he had so much love for all the babies. He was always so kind and fun and we loved cheering him on from the sidelines. Here is one of my favorite pictures Heather sent me of Lane and baby Athena. Truly a special young man.

“Lane was a close friend of mine. A close and wonderful friend. He reminded me so much of my brother. I remember when i first met him we all called him stiff , it wasn’t until a few weeks later I learned his actual name was Lane and I told him I loved that name. Lane was an extremely sweet guy, the type of friend that would do anything for anyone no matter who it was or what was going on. He helped me with my boyfriend’s car when I needed help changing a part to surprise him. I tried to pay him but he wouldn’t let me. He was so kind and so generous. Jack and I looked forward to seeing him out at the car meet every Friday. I’m so happy to have met Lane. I will forever miss him and love all the fun nights we had cruising and talking at the meets. May ur loving memory live on , thank you for everything my dear friend.

“ I’ve never love anyone like I love him. The first time I ever met Lane I knew he would be the one for me. He took me to Gigi’s ice cream parlor down on the beach at 12 AM. He got Superman ice cream, which was always his favorite and I got mint chocolate chip, which was mine. We sat down and talked for a long time that night And all I could think in my mind was, I knew there was something special with him. I didn’t know it at the time that he would be the love of my life, but I’m so grateful that I got to love him, even though my time with him was short I now have a lifetime of memories we shared everything together. June 12, was the day of our first conversation, we started dating on July 13, 2024. And now I will continue to love him for my whole lifetime.
