“ It is 2022. For some reason Larry popped into my mind. He asked me to marry him when I was 19. I had been visiting my father (Jimmy Burton) in Surfside, when I met him. He was in construction and he had horrible back because he had been in a terrible accident the year before. Larry used to sleep in the recliner chair because of the pain. I worked in Surfside as a bartender. I am now 63 and his memories have come to visit. Alive and well in California. Rest in peace- I'm glad they're still has obituary here so I can understand what became of you. You left behind so many that loved you. And I will never forget my first wedding proposal.

“ Dear Ms.Allen, Lynda, Sally, & Donna,

It is with a sad heart that I learned of Larry's passing. Over the years we spoke by phone on several occasions and it was always good to hear one another's voice, as ones past is always a delicate part of the present.

As the years passed our conversations became less and less but my thoughts and prayers where always with him.

Please know that a love that is lost over time is never forgotten.

As I think of your family a smile comes over me.

May God bless and be with you during this very sad time.

Sincerely,

Elizabeth

“ Dear Mrs. Allen, Lynda and all of the Allen family,
We were so sorry to hear that Larry passed away. We went to Socastee together and had been in touch the last time we were planning a reunion, which is when we learned of his health struggles. We'll always remember Larry as a friendly, kind person who was liked by everyone. Our hearts go out to you. ~ Holley (Caughman) and Lewis Aufdemorte
